

Affordable Housing Information - New Jersey

Affordable housing units are generally condominiums or townhouses that are sold or apartments that are rented to households who earn 80% or less of median income. Each municipality establishes its own application procedures or uses the NJ. The Central Jersey Housing Resource Center (CJHRC) has provided the below information to assist you with your housing search. CJHRC cannot be held responsible for inaccurate or outdated information.

Housing Affordability Service (HAS). Applications for the units in the following towns are processed by HAS.
