DOCUMENT CHECKLIST – Continued

6) _____ Circumstances when you will need a notarized letter:

- If you do not earn an income
- If you did not file tax returns for any years noted above
- If you do not own a bank checking account, or savings account
- If you are going through a divorce
- Alimony or Child Support being received or are paying and it is not through the court
- Own a home or property and **very important**-see the attached list of documents and information we will need on the home you do own.

Explain the specifics of your situation in writing, sign, and date and have the letter notarized. **CJHRC has two notaries on staff that can notarize your documents at no cost---THIS REQUIRES YOU TO MAKE AN APPOINTMENT.**

WE REQUIRE ORIGINALS FOR ALL NOTARIZED LETTERS SUBMITTED.

For property owners we require copies of the deed, tax assessment, mortgage statement and a letter stating the amount of proceeds and what they will be used for.

7) _____ If purchasing a unit, a written pre-approval from a financial organization is required that states the amount they are willing to lend you and the letter **MUST say Pre-Approved**. It also must have the names of all applicants on the letter. Please make sure you tell your lender you are applying for an affordable housing unit. Make sure they are aware that there are liens that go with these affordable properties. They need to put something in their pre-approval stating that they understand they would be in 1st position and there are other legal documents that will go in 2nd and 3rd positions at closing. In addition, we have not had anyone be successful with getting a FHA loan for an affordable housing unit. Please discuss with your lender.

NOTE: The estimated monthly housing cost for a unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium and homeowner association fees as applicable) should not exceed 31% of your household's eligible monthly income. CJHRC is a HUD Approved non-profit housing counseling agency. It is suggested that in most situations, households should not be pre-approved for more than 2.5 times their gross household income.

CJHRC may certify your household even if your housing cost could exceed 31% in certain circumstances. For example: In addition to a firm mortgage commitment at a higher level by a licensed financial institution the borrower(s) received counseling from an approved non-profit counselor regarding the advisability of the loan transaction and the outcome of the counseling proves applicants can meet their housing and other obligation(s).

****If you are considering purchasing a condo or townhouse in the Mt. Laurel Affordable Housing program, let your lender know at the time of your pre-approval to determine if an FHA loan is an option.** As of the date of this printing FHA was not allowing any of the restrictive covenants that must be recorded with an affordable housing unit. Therefore an FHA Mortgage is not an option at this time for a State of NJ Low and Moderate Income Unit.**
