Make Your Move Overview

Make Your Move is a comprehensive home buying course developed by the American Center for Credit Education. The goals for Make Your Move are to prepare you for all aspects of the home buying process in order to gain confidence in handling the process of buying a home. Knowing what is involved in the home buying process helps you understand what will be expected of you.

Make Your Move Process

If you are interested, call 908-446-0037 and press 2 to speak with a CJHRC counselor. The CJHRC counselor will complete an intake with you and then will share the document checklist that is required. The counseling session will be between 1.5 and 2 hours in length.

Step 3: DO THE ONLINE COURSE

After your counseling session, you will receive written instructions via email regarding the online class. These instructions will give you the link to the course website, your user id and your password. Note: Each individual in the household who will be on the deed and mortgage must register and complete the online course.

Step 4: COMPLETE THE PROGRAM

The online course, with the required pre and post-test, takes approximately 4-6 hours to complete. You can complete the course all at once or in sections over a 30-day period.

Step 5: PASS THE TEST

Upon completion of the course, CJHRC will be notified and those that pass will be sent a certificate. In the event clients do not pass or require more information, they will need to contact their CJHRC counselor to set up an additional counseling session.
