New Jersey Low & Moderate Income Affordable Housing

New Jersey's Affordable Program is designed to ensure that all municipalities provide some housing that is affordable to low and moderate-income families. Affordable Housing is in short supply in Somerset County and each town in this directory operates an independent Affordable housing program.

There are various developments listed in this directory. To find out which developments have vacancies, consult the contact person for the development you are interested in. You can also contact the Central Jersey Housing Resource Center (CJHRC) or visit the website www.cjhrc.org for a monthly "availability" list.

This guide may not encompass all available units in Somerset County. The information provided in this guide has been gathered and was revised and updated in February 2017. This information is for the purpose of education about Affordable (Rental in the State of NJ Fair Share Affordable Housing Program in NJ) Housing Options in Somerset County.

Although every effort has been made to provide you with the most accurate, current and clear information possible, CJHRC cannot be responsible for inaccurate, misinterpreted or outdated information contained herein.

QUALIFYING FOR AN AFFORDABLE HOUSING RENTAL UNIT

In order to participate in this program, applicants must meet certain income requirements. The current income guidelines are on the following page. These guidelines usually change on an annual basis.

Applicants must also contact the appropriate agency or representative for applications and to inquire about move in dates/availability.

Applicants must have enough income to afford the rental unit (usually 35% or less of their gross annual income). Applicants must provide the three most recent federal and state tax returns, and four most recent pay stubs to determine eligibility. Proof of any other income must also be submitted (i.e., proof of pension, social security, interest, child support).

In addition, applicants must have the first month's rent, along with 1 or 1 ½ month's rent as a security deposit. Applicants must pass a credit check. In some cases a co-signer is accepted.

*As of this printing no increases have been released for 2015 and 2016.

Eligibility for the New Jersey Fair Share Housing (Mt. Laurel) Program is determined by gross annual household income. To qualify for NJ Fair Share Housing, your income must be no more than 80% of median for moderate income or 50% of median for low income. For most NJ Fair Share Housing projects, an income of at least 35% of median is required to meet housing costs.

Income includes, but is not limited to, salary or wages (including regular overtime), alimony, child support, social security, benefits, pensions, business income, and actual or imputed interest earned (which include bank accounts, CD's, stocks, bonds or other securities), and real estate.

Please call the Central Jersey Housing Resource Center (908) 704-8901, if you have questions about NJ Fair Share Housing or other affordable housing options.

Credit Checks

Most, if not all, apartment complexes check applicant's credit. You should find out each complex's credit policy and any fees which may be involved.

You may want to check your credit bureau reports before you start looking or applying for rental units. Since credit bureau scores are based upon information in your credit bureau reports, you should check your reports from each of the three main credit bureaus in the U.S. to make sure your credit information is accurate. Each may have slightly different information in your file, so be sure to request a copy of your credit report from each. If you've been turned down for credit the issuing credit bureau is required by law to provide you with your report for free. Carefully review the report to verify that all of the information is correct. If you find any mistakes, report them to the bureau immediately. By law, the bureau must respond to your inquiry within 30 days.

You can reach the bureaus at the following phone numbers:

Equifax:(800) 685-1111

Experian:(888) 397-3742

Trans Union:(800) 888-4213

NJ Free Credit Reports

As a result of a recent amendment to the federal Fair Credit Practices Act, consumers nationwide are now able to obtain free copies of their credit histories from the three national credit bureaus (Equifax, Experian and TransUnion), once every 12 months, by making a single request. The **ONLY** authorized online source for you to get a free credit report under the federal law is **annualcreditreport.com** and to make sure you are going to this site only, check your spelling or go to the site directly through the FTC's (Federal Trade Commission) website.

There are other sites that claim to offer "free" credit reports, but may charge you for another product if you accept a "free" report, so be careful of the sites that look or sound similar.

The address for obtaining your annual credit report by mail (must fill out the Annual Credit Report Request Form) is Annual Credit Report Request Service, PO Box 105281, Atlanta, GA 30348-5281. You can also call 877-322-8228 if you have questions or want to request the form.

Your credit contains information on:

- where you live, whether you own your home, and how often you've moved
- how you pay your bills
- how much credit you have
- what types of credit you have
- whether you've been sued, arrested, or filed for bankruptcy
